Admission Requirements

Domestic and International students will be required to meet the same requirements.

All applicants must meet an acceptable level of English language proficiency. This program requires proof of successful completion of standardized language evaluation such as CLB scores of at least 6 (with no skill under 6), an overall IELTS score of 6.0 with no skill under 5.0, or equivalent.

Once admitted to the program, students may be required to write a placement test to determine their current academic standing and placement level in the program.

International applicants must be eligible to apply for a study permit which is valid for 6 months or longer.

High School Equivalency Diploma

University Preparation offers a high school equivalency diploma. To qualify, students must present five courses with a minimum grade of "D" at the 30-level. Three of the five courses must be completed in the University Preparation program. Of the five courses required for the equivalency diploma, at least one must be in English (30- level), and one must be in mathematics (30-level).
