

AVIATION MANAGEMENT MAJOR

Enhance your career opportunities in the field of aviation by combining flight training with business courses through MacEwan University's Business Management diploma Aviation Management major.

Students who love to fly and would like a solid business education should consider this program. The program also appeals to people wanting to pursue their own business, manage flight operations or become commercial pilots.

The flight training and ground school component may be completed at any Transport Canada approved training centre. To complete the management portion of this major, students may complete any delivery method (i.e. flexible, regular two-year, evening or online) of the Business Management program. To attain this major, five management courses (15 credits) are replaced with aviation training obtained from the flight school of your choice.

Career Potential

Graduates of this specialized diploma gain employment in a variety of aviation-related careers – both as pilots and airport management personnel. Within Alberta, the oil industry creates significant aviation work, as oilfield workers are increasingly being transported to and from the north by air. Domestic airlines are also expanding. These factors create demand for both pilots and airport management personnel.

Graduates of this diploma are eligible for the Certified in Management designation with the Canadian Institute of Management. Visit www.cim.ca for more information regarding membership and designation.

Transferability

Internal Opportunities

MacEwan University is committed to providing bridging and laddering opportunities to its certificate and diploma graduates. Graduates of this diploma may be granted up to 60 credits to MacEwan University's Bachelor of Commerce degree. Students are advised to consult a program advisor for specific admission requirements.

External Opportunities

All courses completed for the Business Management, Aviation Management Major diploma are credit courses and may be transferable individually toward further study at other Alberta institutions. For current, detailed information on individual course and diploma transferability, refer to the Learner Pathways System at www.transferalberta.ca (<http://www.transferalberta.ca>) or contact the receiving institution directly.

Categories of Admission

Applicants may be admitted to one of the following:

Regular Admission

To be evaluated through the Office of the University Registrar

Applicants must have a minimum overall average of 65 percent, with no course grade lower than 50 percent, in the following high school courses:

1. ELA 30-1 or ELA 30-2
2. Mathematics 30-1 or Mathematics 30-2
3. Three subjects from Group A, B, C, or D
