- Investigative Studies Diploma (<https://calendar.macewan.ca/programs-study/certificate-diploma-programs/police-investigations/investigative-studies-diploma>)
- Police Studies Diploma (<https://calendar.macewan.ca/programs-study/certificate-diploma-programs/police-investigations/police-studies-diploma>)

Program Regulations

Academic Residency - Exemption

A student in Police and Investigations (Police Studies or Investigative Studies) must complete at least 30 per cent of courses through MacEwan University. Challenge examinations, transfer credit and other special assessments (for example, prior learning and recognition) are not included in the 30 per cent.

Program Standards

Students admitted to this program are presumed to be capable of fulfilling the academic requirements of their program with, if applicable, provision of reasonable accommodation. The reasonable accommodation of students with disabilities shall not require the University to lower its standards, academic or otherwise, nor shall it relieve a student of the responsibility to develop and demonstrate the essential skills and competencies expected of all students pursuing this program (policy E3400, Students with Disabilities).

Regulations Governing Field Placement (Work Integrated Learning)

Students must achieve satisfactory performance in all field placement courses in accordance with the course learning outcomes and grading

criteria. Field placement hours may include days, evenings and weekends. Students are required to arrange their own transportation for required field placement activities and any costs incurred for meals, travel and accommodation are the student's responsibility. Students will require daily access to a vehicle for any practice experience not accessible through public transportation. Required field placements will generally be within a 150 kilometer radius of the MacEwan University site.

Students cannot be in attendance at field placement agencies as a MacEwan University student except at times and locations authorized by the field placement course instructor for the course in which the student is currently enrolled. Students must comply with policy C2060 Work Integrated Learning regarding field placements. Students must have completed all prerequisite courses as well as all program and agency specific requirements prior to the start of any field placement course. In accordance with policy C2060 Work Integrated Learning, the University reserves the right, at any point during a field placement, to remove a student from the placement for serious performance issues (i.e., engaging in behaviour that places a client and/or others at risk or that is contrary to the professional or safety requirements of the placement). In such cases and with the concurrence of the Dean, the student will be assigned a grade of F in the course. Although this decision may be appealed according to policy E3103 Student Appeals, the student will not be permitted to remain in the field placement during the appeal.

Police Information Check

Students are responsible for obtaining a Police Information Check annually and for submitting these to the Program prior to September 1 for the duration of the program.

Students must be able to satisfy agency requirements prior to the start of each field placement.

A student must meet the specific Police Information Check requirements as set out in the admission criteria for the duration of the program or they may be required to withdraw from the program.
