

BACHELOR OF PHYSICAL EDUCATION TRANSFER

Faculty of Health and Community Studies
Department of Allied Health and Human Performance
MacEwan.ca/PhysEd (<http://MacEwan.ca/PhysEd>)

The Bachelor of Physical Education Transfer program offers first and second-year courses that may be used toward obtaining a Bachelor of Kinesiology degree offered at the University of Alberta.

MacEwan University offers a student-centred focus in the delivery of the program by offering small classes and opportunities to participate in intramural and interscholastic athletic activities.

Admission to the program is competitive and is subject to a quota. The competitive admission average may be considerably higher than the posted minimum.

Career Potential

Growing interest in health and personal fitness makes this degree an attractive area of study for the future. Potential growth occupations include administrative and managerial positions, and lifestyle and fitness consultants. Graduates have also found work as athletic therapists, coaches and kinesiologists. Graduates have continued their education and entered professional programs such as Physiotherapy and Medicine. The physical education experience provides a well-rounded education and the people skills needed to find employment in a variety of areas.

Transferability

All courses completed within the Bachelor of Physical Education Transfer program are credit courses and may be transferable individually toward further study at other Alberta institutions. For current, detailed information on individual course transferability, refer to the Learner Pathways System at www.transferalberta.ca (<http://www.transferalberta.ca>) or contact the receiving institution directly.

The Bachelor of Physical Education Transfer program is aligned to specifically meet the admission and program requirements at the University of Alberta.

1. Students in the program who have achieved a GPA of 2.5 on their most recent 24 credits and who have successfully completed a minimum of 45 university transferable credits are guaranteed entrance to the Bachelor of Kinesiology degree at the University of Alberta.
2. Students who have completed a minimum of 45 credits with a GPA below 2.5 on their most recent 24 credits may be offered admission on a space available basis. **Note:** Admission will be competitive.

The University of Alberta retains the right to impose quota restrictions on any faculty and possession of all the minimum requirements may not guarantee admission.

Students may also transfer to an institution other than the University of Alberta after one or two years of study. Each institution has its own admission and graduation requirements. Students are responsible for familiarizing themselves with the requirements of the institution of their choice. For additional information on transferring from the Bachelor of Physical Education Transfer program, including information on

transferring individual coursework to the University of Alberta, please see an advisor.

Robbins Health Learning Centre
Room 9-209, 10910 - 104 Avenue
Edmonton, Alberta T5J 4S2

Categories of Admission

Applicants may be admitted to one of the following:

Regular Admission

To be evaluated through the Office of the University Registrar

Applicants must have a minimum overall average of 65 percent, with no course grade lower than 50 percent, in the following high school courses:

1. ELA 30-1
2. Biology 30
3. Three subjects from Group A, B, C, or D

Notes:

- Applicants are strongly encouraged to present a broad range of subjects in order to benefit from the breadth of learning and to increase flexibility of future program and course choices.
- A maximum of two Group B subjects may be presented; they must be from different disciplines.
- A maximum of one Group D subject may be presented. Group D subjects used for admission must be 5-credit or any credit combination of at least 5 credits (e.g., two 3-credit subjects).

Applicants with nine or more university-level credits must also present a minimum Admission Grade Point Average (AGPA) of 2.0 on a 4.0 scale (no time limit on calculation of AGPA).

Mature Admission

To be evaluated through the Office of the University Registrar

Applicants must be 20 years of age or older and have been out of full-time high school at least one year by the beginning of the intake term. Applicants must have a minimum overall average of 65 percent, in the following high school courses:

1. ELA 30-1 with a minimum grade of 60 percent
2. Biology 30 with a minimum grade of 60 percent

Applicants with nine or more university-level credits must also present a minimum Admission Grade Point Average (AGPA) of 2.0 on a 4.0 scale (no time limit on calculation of AGPA).

Previous Post-Secondary Work

To be evaluated through the Office of the University Registrar

Admission in this category does not imply or guarantee the transfer of any coursework and/or credential unless a block transfer agreement (internal or external) is in effect and published in the calendar by the

Office of the University Registrar. In addition, transfer of coursework does not imply or guarantee that an applicant will be admitted.

Applicants must have successfully completed the following from a recognized institution:

- A minimum of 24 university-level credits with a minimum Admission Grade Point Average (AGPA) of 2.0 on a 4.0 scale and must have completed the required core courses listed under the Regular or Mature Admission category.

Additional Admission Criteria

All applicants must meet the following:

1. English Language Proficiency

To be evaluated through the Office of the University Registrar

Applicable to All Admission Categories

All applicants must meet an acceptable level of English language proficiency. We will require official documents such as high school or post-secondary transcripts or proof of successful completion of standardized language evaluation. Full details are available in MacEwan University's academic calendar or online at MacEwan.ca/ELP (<http://MacEwan.ca/ELP>).

Program of Study

Course	Title	Credits
Year I		
ENGL 102	Analysis and Argument	3
