

# APPLICATION EVALUATION

## Classification of High School Courses

Acceptable Alberta Education Grade 12 subjects, other than English Language Arts 30-1, have been classified into four groups: A, B, C, and D. The Grade 12 courses listed are based on Alberta Education approved curriculum and nomenclature. Prospective applicants from other provinces and territories should visit our website at [MacEwan.ca/HighSchoolSubjects](http://MacEwan.ca/HighSchoolSubjects) for out-of-province equivalencies.

Applicants who are home schooled will be required to complete the Alberta Education diploma examinations (or equivalent) in order to meet any high school course requirement.

For admission purposes, MacEwan University will use the higher of either the high school grade or the Advanced Placement (AP) grade/International Baccalaureate (IB) grade.

### Group A (Humanities)

Specific course examples can be found on our website at [MacEwan.ca/HighSchoolSubjects](http://MacEwan.ca/HighSchoolSubjects) (<http://MacEwan.ca/HighSchoolSubjects>).

Apprenticeship, Work Experience, Special Projects and Career and Life Management (CALM) courses are not considered for admission.

## University Credit Substitutions for High School Courses

This chart lists university credit that can be substituted in cases where applicants do not present the appropriate Grade 12 courses.

### University Credits Required

Course	Credits
<b>English</b>	
English	6
<b>Group A (Humanities)</b>	
Language Other Than English	6
Humanities or Social Sciences <sup>1</sup>	3
<b>Group B (Fine Arts)</b>	
Fine Arts	3
<b>Group C (Sciences)<sup>2</sup></b>	
Mathematics (algebra)	3
Mathematics (calculus)	3

Physics	3
Biology (e.g. botany, genetics, microbiology, zoology) <sup>3</sup>	3

<sup>1</sup> SOCI 100 can be used as a substitution for Social 30-1/30-2. This is the only course that can be used to substitute for Social 30-1/30-2

<sup>2</sup> If no specific Group C course is listed as an admission requirement, any course from a science discipline—including PSYC 104—can be used as a group C subject.

<sup>3</sup> For admission into Bachelor of Science in Nursing, Botany and Zoology cannot be used as BIOL 030 substitutions.

## English Language Proficiency (ELP)

English is the primary language of instruction at MacEwan University. All applicants to any undergraduate (i.e. certificate, diploma, and degree) program must demonstrate a minimum level of English language proficiency prior to admission, regardless of citizenship or country of origin. In addition to ELP, some programs may also require a Spoken English Proficiency (SEP).

The ELP requirement is designed to ensure that applicants have the best opportunity for success in their university studies. MacEwan University reserves the right to use discretion to determine applicants' language proficiency.

Applicants whose Primary Language is English are deemed to have met the ELP requirement. Primary Language is defined as the language the applicant is most proficient in, and uses on a daily basis for written and oral communication. In addition, it must be the language of instruction in the applicants' last three years of formal education (excluding English as a Second Language).

All other applicants must present one of the following to demonstrate fulfillment of ELP.

## Early Admission

MacEwan University offers early admission to qualified applicants prior to the completion of their program admission requirements. Applications will be evaluated based on final grade 11 and/or grade 12 courses. Specific requirements are located at:

[MacEwan.ca/wcm/Registrar/Admissions/AdmissionRequirements/EarlyAdmission](http://MacEwan.ca/wcm/Registrar/Admissions/AdmissionRequirements/EarlyAdmission) (<http://MacEwan.ca/wcm/Registrar/Admissions/AdmissionRequirements/EarlyAdmission>).

## Competitive Programs

Many programs are competitive based on higher than minimum academic requirements, other admission requirements or a combination of both. Applicants are encouraged to apply and submit documents early. In addition, it is important to keep the Office of the University Registrar and the program informed of any changes that may affect admission. Posted competitive ranges may be lowered as the applicant pool is evaluated.
