

TRANSFER STUDENTS

If you have attended another post secondary institution, courses that you have successfully completed may be considered for credit towards a credential at MacEwan University.

Upon application to MacEwan University, submit official transcripts as soon as available. It is strongly recommended that you submit transcripts by June 15 for fall enrolment and by October 15 for winter enrolment. The official transcripts should include final grades and any credentials awarded.

Transfer agreements for post secondary institutions in the province of Alberta are available for information and reference at transferalberta.alberta.ca. Transfer credit listed on the ACAT (Alberta Council on Admissions and Transfer) website will be approved for transfer credit to MacEwan University. Specific credit awards to a program are subject to the requirements and regulations of the admitting program, and may vary from the total credit awarded by MacEwan University. Transfer credit is subject to academic residency requirements per C2100 Graduation or program-specific exemptions and Inter-Institutional Transferability (C2030) policies. You may view MacEwan University policies at Macewan.ca/PolicyManual

Transfer credit is awarded to MacEwan University as an institution and not to specific programs. Transfer credit awards, used to fulfill program requirements, are subject to the requirements and regulations of the admitting program and may vary from the total credit awarded by transfer to MacEwan University. Transfer credit is subject to (1) academic residency requirements and program-specific exemptions (policy C2100, Graduation) and (2) policy C2030, Inter-Institutional Transferability. These policies are available at Macewan.ca/PolicyManual (<http://Macewan.ca/PolicyManual>).

If your previous course(s) is not included on the ACAT website or if your course history is with an institution outside Alberta, you may be asked for course outlines. Course outlines are reviewed by MacEwan University evaluators for credit transfer and then considered with respect to the program for which you have applied for admission. To enable this processing time, ensure your official final transcripts have been received by MacEwan University and be prepared to provide course outlines as required.

Your transfer credit evaluation is completed after you are admitted to your program. It is the student's responsibility to review the transfer credit granted with respect to the program requirements; discrepancies may be brought to the attention of the Transfer Unit in the Office of the University Registrar. You are strongly encouraged to consult with an academic advisor (in your program of study) to understand how your transfer credit is applied to your program.

Domestic and international students who have completed post secondary/higher education outside of Canada should refer to the subsection, International Transfer Credit Evaluation, included in the "International Student" section of this academic calendar.

Advanced Placement (AP) Courses

Transfer credit will be granted for AP courses where an AP grade of 4 or 5 is received. A list of approved courses for transfer credit follows. Other courses may be considered on an individual basis.

AP Course	MacEwan Course Code	MacEwan Equivalent	Credits
Art History	APAR 100	ARTE 1XX	3

Visiting Students

Outbound (MacEwan University Students Studying at Another Post secondary Institution)

Students enrolled in a program at MacEwan University who wish to take a course(s) offered by another post secondary institution must obtain approval from their program. The approval process is subject to their Faculty/School regulations and, if granted, students are issued a Letter of Permission (LOP) by the Office of the University Registrar.

Letter of Permission – Authorizes students to take courses at another post secondary institution as a visiting student. The letter includes the name of the 'host' institution, their current academic standing, and indicates the MacEwan University courses for which credit will be granted upon successful completion.

Students who wish to participate in a Study Abroad opportunity should contact MacEwan International regarding the process.

Inbound (Other Post secondary Students Studying at MacEwan University)

Students enrolled at another post secondary institution who wish to study at MacEwan University should complete the following steps:

Apply to MacEwan University as an Open Studies student.

Submit a Letter of Permission from your home institution authorizing you to attend MacEwan University to the Office of the University Registrar. The LOP must include the specific courses you have been granted permission to register in and your current academic standing.

Only students deemed to be in good academic standing are eligible to enrol.
